Operable Unit No. 2, Prairie Dog Extermination Plan

Sue Stiger, Associate General Manager
Environmental Restoration Management
EG&G Rocky Flats, Inc.

We requested in our memorandum dated August 12, 1994, (ER:SRG:08622) that you prepare a plan of action to deal with prairie dog encroachment into Operable Unit (OU) No. 2. Your proposed plan was detailed in a letter to us dated August 31, 1994, (94-RF-09123). We agree to the extermination option as the preferred alternative; please initiate this option as soon as possible. We would also recommend that grass mowing operations in OU 2 be discontinued, to make the area less desirable for prairie dog habitat.

If you have any questions, please contact Scott Grace at extension 7199.
